ABOUT

Aspiring Software Developer with a strong interest in building efficient and scalable software solutions.

Currently pursuing B.Tech in Computer Science Engineering with a focus on core programming concepts.

Strong foundation in problem-solving, data structures, and object-oriented programming.

Actively improving coding skills through hands-on projects and consistent practice on GitHub and LeetCode.

Seeking software development internships and entry-level roles to apply and grow technical skills.

EDUCATION

Bachelor of Technology in Computer Science and Engineering.

Greater Noida Institute of Technology (GNIOT).

Academic Duration: 2024 – 2028.

SKILLS

Programming languages include C, Python, and Java.

Understanding of Data Structures and Algorithms fundamentals.

Knowledge of Object-Oriented Programming principles.

Basic web development using HTML.

Experience with debugging, logical problem solving, and code optimization.

Familiar with Git and GitHub for version control and project management.

PROJECT EXPERIENCE

CareCloud: Revolutionising Healthcare – Mini Project.

Worked on designing a digital healthcare solution for efficient patient data management.

Analyzed real-world healthcare workflows and converted them into software requirements.

Contributed to application logic with emphasis on data security and usability.

Collaborated with team members to develop features and resolve technical issues.

Prepared documentation outlining system workflow and project outcomes.

CODING PROFILES

Maintain GitHub repositories showcasing academic and mini projects.

Use version control practices including commits and repository management.

Regularly solve Data Structures and Algorithms problems on LeetCode.

Focused on improving coding efficiency, accuracy, and time complexity understanding.

CORE COMPETENCIES

Strong sense of responsibility and ownership of tasks.

Structured thinking with attention to detail.

Quick learner with adaptability to new tools and technologies.

Effective communicator and collaborative team member.
